About Us

BPS Supply Group has distributed pipe, valves, fittings and supplies for over 50 years to a wide range of customers across all markets. Our products and custom solutions **connect** infrastructure and industry to the resources they depend on all across North America.

As one of the region's largest independent suppliers, our connections make **possible** the health, safety and prosperity of communities across the U.S.

With 21 strategic locations working in oil, energy, pharmaceuticals, food processing, agriculture, pulp and paper, construction, mining and more - **BPS Supply Group connects what's possible.**

Better Possibilities Start with BPS.
